

# LYC CLASSIC TONING SYSTEM

New! – it now comes with wonderful travel bag.

- Why do people tout the importance of exercising your body on a regular basis? -- Of course, to keep it in good condition by toning and firming the body muscles.
- Now you have the fantastic LYC Classic Toning System for FACIAL FITNESS. Using this simple device on a regular basis, the results are amazingly miraculous.
- Facial Fitness is achieved by the toning unit sending a mild pulsating current to the facial muscles that gently exercises them by contracting and relaxing each muscle.
- This process helps to diminish fine lines and increase circulation. It firms, tightens and lifts your facial muscles to a more radiant and healthy appearance
- Simple to use with easy instructions.
- Comes packaged with 5 unique products to produce the best results

## Products included in the Kit

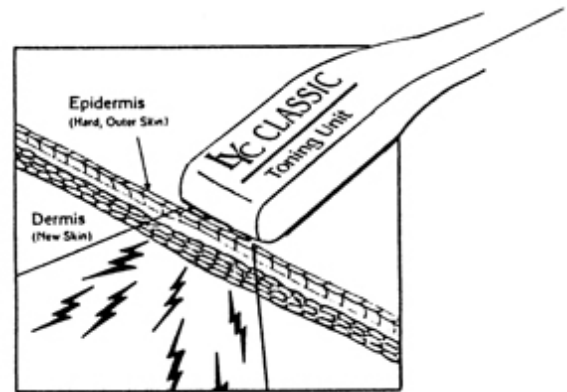

*Facial Gel* – is used as a conductor with the Toning Unit to work wonders in restoring your skin to a healthy, youthful glow.

*Vita Mask* – a remarkable, one-of-a-kind, all-natural mask that reduces surface lines and helps to firm and lift your skin at the same time. Used after the LYC Classic Toning treatment, the mask helps to hold the firmness of your facial muscles, which is essential to receive the best results.

*Perfecting Cream* – the ultimate advanced nourishing cream that boosts the epidermal cellular activity of your skin to help repair and renew your complexion.

*European Cellular Repair* (sample size) – a dramatic serum that can be used with the Gel to further plump and revitalize fine lines and wrinkles while toning the face.

*Clear Aid Lotion* (sample size) – can be used in place of the Gel for those with extremely sensitive skin. This amazing preparation contains herbs that soothe even the most troubled skin.
